

FLAVOUR TAP™

Reinventing hydration for a happier and healthier world

Natural fruit flavours, zero calories and zero preservatives.
Eliminates the need for single use packaging.
Built with an intelligent digital reporting system.

As the UK's first tap to offer both flavoured and pure still or sparkling water. It's hydration, reinvented.

Choose from any of our flavours with the touch of a button.

The next gen office perk

Great Tasting

- A refreshing work perk.
- Natural fruit flavours, without any preservatives.
- Choose from plain still or sparkling or add your favourite flavour with the touch of a button.

Sustainable

- Each flavour cartridge is equivalent to 2,000 drinks.
- A fraction of the cost, size and environmental impact of packaged alternatives.

Intelligent Design

- Integrated digital system.
- Track how much packaging you've saved.
- View insights into the hydration habits of your workforce.
